

# IPT International e-Conference 2020

## Recent Trends Shaping the Pharmaceutical Innovations

June 26-28, 2020

### Chief Guest

### Keynote Speakers

**Dr. C. R. Tripathy**  
Vice Chancellor  
BPUT, Odisha

**Dr. A. K. Bansal**  
NIPER, Mohali

**Dr. B. Patro**  
GRK Research Lab,  
Hyderabad

**Dr. S. P. Swain**  
NIPER, Kolkata

**Mr. A. Mishra**  
Dr. Reddy's Lab Inc,  
New York, US

**Dr. D. K. Majumdar**  
DIPSAR, New Delhi

**Dr. K. K. Sahoo**  
Thermo Fisher,  
Cincinnati, US

### Focus area

- Quality by design approach in pharmaceutical development.
- Pharmaceutical innovations and urgency to tackle COVID-19 situations.
- Flow chemistry for API synthesis.
- Frontiers of insulin based drug delivery system.
- Role of quality in shaping the pharmaceutical research and development, an industry eye view.
- Impact of technological advancements in drug discovery and development.

### Key features

- Free Registration
- M.Pharm students, Research scholars, Faculty and Industry persons can register
- E-certificate for all registered participants
- Registration deadline: **June 24, 2020**
- Participate through **YouTube LIVE!**
- Join URLs will be provided in the registered emails & WhatsApp group

[Click for joining WhatsApp group](#)

### Convener

**Dr. S. K. Mahapatra**

### Organizing secretary

**Dr. B. R. Mohanty**  
Mob. +91-7008804601
