

MSME Incubation Centre (IPT)

Background

The Institute of pharmacy & Technology, Salipur has identified the need of establishing the Incubation and Innovation Centre approved by MSME- Government of India. The incubation centre shall nurtures innovation and encourages entrepreneurial talents among students, faculty and people of the region. It shall facilitates inter-disciplinary research and provide incubation facilities to start ups and budding entrepreneurs.

Aim

- To encourage the students and faculty members with innovative ideas and develop these ideas into commercial products and bridging the gap between Industry and Academia.
- At the same time support will be given to protect the ideas of the students and scientists as patents.

Objectives

To promote and establish world class incubation centers in pharmacy sector such as manufacturing, health and education.

Encourage students and faculty for innovation, idea generation and product development.

Provide Seed fund to transform an idea into a product.

Arrange Workshops for students and faculty in the field of entrepreneurship.

Help with the Patenting Process.

Thrust Areas

- Healthcare Sector
- Pharmacy Sector

Eligibility

Admission to the Incubation Centre is open to

- Faculty and Staff
- Students (Current and Alumni)
