## 21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

57 responses

Good

Good

It is a very good institution for pharmacy students. All teachers are very good and experienced. This institution gives very good opportunity for every students.

To improve our knowledge

1. The syllabus should be revised thoroughly and more time should be given to the students for their better studies.
2. All practicals should be done properly.
3. All institutes should prepare and help the students who are interested in the entrance examination.

1. There should be study tours to various Pharma industries
2. Open forum debate competition should be there on topics related to Pharma courses
3. assignments could be submitted online

Conduct more seminars, provide hardcopies of notes and discussing previous year question papers

Change teacher

Institute should be more research oriented and pharma competitive oriented.

Superb teaching

1. Syllabus should be finished in time

Need some updates regarding the arrangements of classroom

Sab faculty ache se padhati hei ham ki encourage karte hei age Jane ke liye ... interview face karane kaliye ham ko strong karati he

Clearing doubt in class regularly.  
Teacher have to illustrate example in class.  
Teacher have to notice whether the student is facing difficult in any of the subjects.

All right... everything is good right now...

Nice excellent

- 1: Provide Effective Notes
- 2: Discussion of important questions for exam

3: New Machinery equipment for practical

I think they should be little more strict about our classes so that student have some fear of not taking any classes. Thank you

No suggestion

Teaching and extracurricular performance are best but not getting good chances for training, industrial visit, study tour Or hospital training which are quite imp.

Quality Education  
Excellent Teaching  
Good Performance By The Students

Providing notes properly.  
Elaboration of difficult sie room briefly.  
Question Answer round after cmplition of every unit.

None

Yes

In my experience the teachers are quite interactive and helps to improve the weak point of the student

Good teaching environment  
Teachers are interacting  
And are friendly

Everything good

1. Using more of practical approach

Excellent teaching

Teachers must be updated with the current syllabus and must have thorough understanding of the subject as well as the topic going to teach in the class

We want more time for self study.

Exposure to national level competition

24x7 A/C Library, college shoud sponser Study tours and more focus on soft skills development

All good

No suggestions

According to my experience of 4 year that I am satisfactorily completing my b.pharmacy and

no one will regret after joining this institution.

The academic are overall fine but the facilities provided by the college is very poor and it should be improved

1 Teachers are always helping and kind.

2.staff plays important role and the office staff is so helpful in our Institute .

3.proper facility with gread guidelines....good learning and all good.

All the learning process are excellent

Self study improve your knowledge

Nothing

Duration of a semester should be increased bcoz in 3 months all the courses should not be covered up.

Excellent

It's good

Ok

Provide effective notes

Discussion important questions

New mechine arry equipment for practical

No suggestions all teachers are good and provide good quality education.And help in how to move ahead in future .

24x7 library, GPAT based teaching & promoting study tours.

Everything is good .

Focus on backbenchers, take sufficient time for syllabus..

Research work schould done in more..

No

All teacher's are good.

Best faculty is here
