81 responses

Good

1. More practical learning approach  
2. Activity work for for both core/hard skill, soft skill, and market learning by college and us students (college could help a lot)

Very strict examination, good communication with students and really good practicals

Should provided conceptual learning for some extent better .

Teaching is good but there should be some opportunities with the students such as campus selections, alumini meet etc.

1 Addition of advance teaching tools like smart board,  
2 need to upgrade laboratory with the latest equipments which are used in industry (if possible),  
3 promoting field visit by the college administration,

Teaching way should be improved so how

Best institute 😊

Complete syllabus with in respective time

Reappoint our old excellent teachers  
Offer more placement  
Don't demoralized the students

Internship facilities

Experience faculties

Overallly the teaching process is good but the teachers can improve the teaching process from good to excellent. Some teachers in the institute need to work on their teaching style so every student can understand easily.

Experienced faculty.

All good

Experienced faculties

The library services provided by the college can be improved. By providing online book library and more student assistance.

1. Showing video clips wherever applicable ( as visualisation increase understanding)
2. Taking class test on regular basis
3. Going from basics when ever required and making student solve some of the tough questions in class.

Should provide conceptual learning for some extent better . And should promote entrance preparation.

The institute should provide experienced staffs.  
There should be regular field visist

Our college teacher are already famous for their own teaching style so no need of any improvement suggestions

Try to improving.

1. Introduction of college's own transportation facility for day boarding students.
2. By Increasing the number of common rooms for small group studies.
3. More frequent classroom visits of senior faculties of college.

Improving

The Equipment in the research lab should be thoroughly explained about its design and working to the students by the teachers so that the students can handle it effectively.

- 1) Reappointed our old best teacher
- 2) Offer more placement
- 3) Don't demoralized the students by their rank or marks

Experience teaching faculties should be appointed .  
Student - faculty counselling sessions should be done on regular basis .  
Modern study methods should be adapt

College Should provide better placement opportunities for students.

1. Sometime More efforts should be given for skill development in practical classes.
2. Few revision classes should be taken by our teachers before the semester exam.
3. Teacher should guide us or provide us more information for our future prospectives and in other educational activities.

Complete syllabus

Carrier guidance must be needed

1. including proper doubt clearing session
2. Proper time to be given to students for project work
3. Proper placement opportunities to be provided

1. Quality teacher
2. Improve extracurricular activities
3. Field visit opportunities for students

Good at everything

- 1.Re- appoint our old and most excellent teacher and create the old college environment as before
2. Offers more placements
3. Don't demoraliz the students by there marks and ranks

The institution provide experienced staffs.  
We want extracurricular activities.ect

Everything is alright

MCQ discussion

Experienced teacher faculties should be appointed to the institution.  
The institute should try to make students ready for a field visit for better development.  
The institution should pay attention to overall teaching and communication between teacher and students.

1. Teaching language medium should improve
2. Books in library should be more enough for every student
3. Other educational materials than only syllabus should be available in library

1. Conduct extra class for other pharmacy related entrance exam like gpat

Please try to complete syllabus before semester

Requirement of more experienced teachers

(1.)Student & Teacher comunication is very much needed to improve the overall teaching

No thanks 🙏

Nothing

I am satisfy overall teaching-learning experience in your institution

Good at Everything.

Posting many phd facilities  
Best communication like odia and others languages  
Enhanced more pratical knowledge

All teachers are experience

All teachers are enthusiastic and very helpful. All teachers always help to learn new things.

Teaching should be interactive coporative practical oriented with the friendly atmosphere.  
Institute should focus on researches, encourage students towards research works, let them to know widely about practical world from there professional aspects and encouragement for the

co-curricular activities. Or in the simplest way, institute can set and follow any reference institute to be the best.

Annual dues for this course is not affordable for middle class students  
So I request to introduce such a budget that easily affordable

Its absolutely good

Need more good faculty, smart board, Digital study

We want more seminars in the college

I want more placement for Students .  
Frequent seminar for us.  
I need more smart classes for us.

Air conditioning classroom. Effective lightning.

Thank you for giving me a great future

Teacher should communicate each n every student f

It's really amazing suggestion overall teaching learning experience

Good

One of the areas which will greatly improve the learning experience is by getting exposure through field visits and and experiencing the workings of industry.

- 1.Addition of more practical knowledge
- 2.giving good communication classes for betterment of work in future
- 3.giving some classes for skill improvement and extracurricular activities

Integrate innovative teaching methods, such as problem-based learning, simulations, and technology-enhanced learning.

Try to appoint experienced teachers  
Appoint them those are able to students understand

Please do alumini meet.... And let us know more details about future career opportunities and pathway 🙏

I want some seminars and some sessions by experienced professionals so that we can find out what to do next....  
We want study tour's , more academic platforms to build up in our college so that we can be benefited

Good but not exilent

Experienced faculties  
Modifications in management

1-Way of teaching can be made more interesting like giving real life examples  
2-Teachers should use microphones for better voice coverage throughout the classroom  
3-Institute should provide more opportunities for internship,Placements etc

According to me the teachers should be more focused on how to get a job

By observing all students weaknesses and helps to overcome them

More than prattice

Teacher's must be assigned according to their speciality

MCQ discuss in class

1-Student & teacher interaction is very much needed to improve the overall teaching

1 improvement of hostel facility  
2

Very good

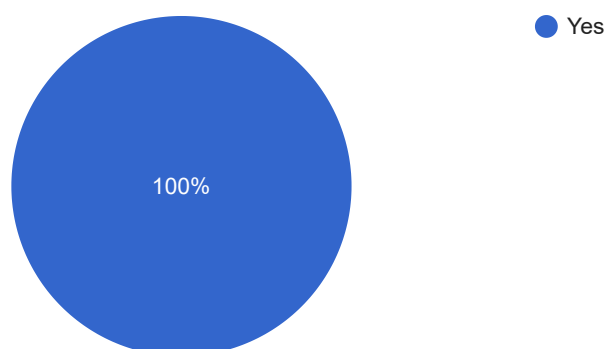

To appoint experience faculty.  
Don't demolarise the students by their marks & ranks  
Offer more placements.
